**BUDGET COMMITTEE REPORT**

In reviewing the budgets for 1983, the Budget Committee found modest increases in the respective departments.

We are in general agreement with all money articles, with the exception of Article 18. The Fire Department budget was accepted as submitted and there was no request by the Fire Department for this increase.

We would like to thank the Board of Selectmen and all the Department Heads for their assistance and cooperation with this committee.

It is disappointing that the citizens of this community do not take the time to attend the Public Hearings before Town Meeting. With the input of the citizens, maybe the Budget Committee could be better attuned to the wants of the community.

We also feel that the citizens of Rindge should be more actively involved in the School Budget, as this is where the bulk of the tax rate appears.

Respectfully submitted,

RINDGE BUDGET COMMITTEE

TRANSMITTAL AND COMMENTARY LETTERBOARD OF SELECTMEN

Town of Rindge  
Rindge, N.H. 03461

Members of the Board:

We have examined the financial statements of the various funds and account groups of the Town of Rindge for the year ended December 31, 1981, and have issued our report thereon, dated January 21, 1982. As part of our examination, we reviewed and tested the Town's system of internal accounting control to the extent we considered necessary to evaluate the system as required by generally accepted auditing standards. Under these standards, the purpose of such evaluation is to establish a basis for reliance thereon in determining the nature, timing and extent of other such auditing procedures that are necessary for expressing an opinion on the financial statements. Such study and evaluation disclosed the following conditions that we believe to be material weaknesses.

Purchasing Procedure:

The Town records expenditures only upon receipt of vendor invoices. Invoices from vendors are mailed directly to department heads. These practices effectively prevent the Board of Selectmen from being involved in the purchasing function or control commitments of the Town's resources.

We recommend that the Town adopt the following procedures:

1. Notify vendors that invoices should be sent to the Selectmen's office.
2. The Selectmen should require that department heads obtain prior approval before committing the Town's resources over certain dollar limits to be set by the Board.

We feel that our recommendations are only stop-gap measures and strongly suggest that the Town implement a complete purchase order system as soon as it is practicable.

Other

The objective of internal accounting control is to provide reasonable, but not absolute, assurance as to the safeguarding of assets against loss from unauthorized use or disposition, and the reliability of financial records for preparing financial statements and maintaining accountability for assets. The concept of reasonable assurance recognizes that the cost of a system of internal accounting control should not exceed the benefits derived and also recognizes that the evaluation of these factors necessarily requires estimates and judgement by management.

---

**ANNUAL REPORT**

---

There are inherent limitations that should be recognized in considering the potential effectiveness of any system of internal accounting control. In the performance of most control procedures, errors can result from misunderstandings of instructions, mistakes of judgement, carelessness or other personal factors. Control procedures whose effectiveness depends upon segregation of duties can be circumvented by collusion. Similarly, control procedures can be circumvented intentionally by management with respect either to the execution and recording of transactions or with respect to the estimates and judgments required in the preparation of financial statements. Further, projection of any evaluation of internal accounting control to future periods is subject to the risk that the procedures may become inadequate because of changes in conditions and that the degree of compliance with the procedure may deteriorate.

Our study and evaluation of the Town's system of internal accounting control for the year ended December 31, 1981, which was set forth in the first paragraph would not necessarily disclose all weaknesses in the system.

The recommendations on administrative and operational matters not directly related to internal accounting control as listed below, were developed from our observation of the Town's operation during our examination. They are not the result of a special study.

The Town does not maintain accounting records for its fixed assets, as is the case with many New Hampshire communities. Records are needed for control of the assets, as well as, the insurance program and long-range planning. While we recognize that the costs of any control system should not out-weigh the benefits and that the establishment of fixed asset accounting records is a major undertaking we believe that the Town should give development of these records a high priority. We offer the following program for your consideration.

- . Adoption of a formal capitalization policy by the Board of Selectmen.
- . Inventory existing fixed assets and maintain records of identified items at a central location under control of the Selectmen.
- . Establish fixed asset accounting records for all new acquisitions and a certain percentage of existing items annually.
- . Establish a program for periodically verifying existence of items in the fixed asset accounting records or on the inventory.
- . Adopt formal procedures to delete items from the records.

### Conclusion

The provisions of Chapter 71-A, Section 21, require that the auditor's summary of findings and recommendations (transmittal and commentary letter) shall be published in the next annual report of the Town. Publication of the Exhibits contained in this audit report is optional at the discretion of the Board of Selectmen. This letter however, must be published in its entirety.

We would like to acknowledge all of the assistance and many courtesies extended to us by the personnel of the Town during our examination.

**ANNUAL REPORT**  
REPORT OF THE ROAD AGENT

---

1982

With 1982 now behind us, the Highway Department is pleased to list the main projects that were completed using line item appropriations, Revenue Sharing Funds, and State Revenues: Ditch cleaning, mix, and seal coat on the following roads: 3,000 feet on Main Street East, 2,936 feet on Monomonoc East Road, 4,030 feet on Old New Ipswich Road; and just a seal coat to finish the 1981 project on Lord Brook Road.

The following roads had ditch cleaning, mix and seal coat with underdrain: 600 feet on Danforth Road with 400 feet of underdrain, 1,740 feet on Cutter Hill Road with 800 feet of underdrain, and 3,300 feet on Candlelight Road with 480 feet of underdrain.

Several other projects that were completed were a portion of the entrance to the Town Garage and Solid Waste Area was hot topped and sealed and a concrete pad installed for the Solid Waste containers; widening of the roadway over the twin pipe arches on the Wellington Road with installation of new beam railing and concrete headwalls.

The winter funds were expended on plowing and treating approximately 60 miles of Class V and III roads. As far as budgeting is concerned, the Winter account is a guesstimate. The actual cost is determined by the total number of storms. Following is an example showing the variances from winter to winter:

WINTER	TOTAL INCHES OF SNOW	TOTAL INCHES SLEET	TOTAL NO. OF STORMS	LOADS OF TREATING MATERIAL USED
1981-82	117	11	32	204
1980-81	60	6	16	92
1979-80	34	1	7	37

One pleasing note to end with, is that some increased revenues from the state for highway use, rescheduling the crushed gravel account to crush only every other year instead of yearly, and additional revenue from certain motor vehicles fees, will show a reduction in the over-all 1983 highway department budget.

Respectfully submitted,

Peter J. Anderson  
Highway Agent

INGALLS MEMORIAL LIBRARY  
REPORT OF THE TRUSTEES - 1982

Inasmuch as the original Library building is approaching it's 90th year, we should not be surprised that it required an \$ 1,860.00 masonry repair job in 1982. Furthermore, we anticipate almost as large an expenditure in 1983 for flashing and slate shingle replacement. We were able to cover part of the cost from our reserve fund which has been maintained for just such emergencies. The reserve is derived from that small part of bequests and private contributions that are not consumed annually in ordinary Library costs. For example, this year the Library Trust Fund received \$ 3,000.00 from the Alice Converse Estate.

Mrs. Marjorie Priester finished her first year as head librarian. The Trustees have been most gratified with her performance.

The Rindge Womans Club Garden Group paid for the planting of a lovely garden of flowering shrubs on the south side of the building. It was named "A Remembering Garden" and a special shrub was dedicated to the memory of Mrs. Laura Green, our late head librarian.

Over the years, all good, busy libraries gradually acquire an appearance of near-clutter. Just as our library was about to become so, The Friends of the Library stepped in and furnished us with three new large book cases. Now we again have an air of spacious orderliness.

## REPORT OF THE LIBRARIAN

CHILDRENS DEPARTMENT: The library staff continues to cooperate with the faculty of the Rindge Memorial School in administering the Rindge Education Activities Program (REAP). Scheduled classes visit the library for REAP materials, and at the same time, for books and magazines for "fun reading". We are constantly striving to up-date our collection. Toward this goal, World Book Encyclopedia, 1982 was added to the reference section and the older set put into circulation, available to the REAP student.

The summer program was supervised by Mrs. Justine Blackall, our children's librarian. This year's theme, "The Pirate Cove", gave active young readers a chance to guess the location of hidden treasure on the pirate map. Weekly winners were announced. During the school term, Mrs. Blackall welcomes all primary grade children to the monthly story hour. Timely crafts, stories, and movies are enjoyed by the participants. A new book block was ordered and adds much to the attractiveness and convenience of the children's room.

Jodee Lee, President of the Friends of the Library, again co-ordinated a very successful flea market. The summer flea market not only gives us an opportunity to work together but it serves as a fund raiser, and as such, is responsible for many of our library improvements. This year's profit has been placed in reserve towards a much

ANNUAL REPORT

needed new copier. Mrs. Lee covers the circulation desk evenings and extends much time and effort in tracking down over-due materials. It is impossible to be too emphatic about the problem of lost or unreturned books, especially with the sky-rocketing price of replacements. Because of these rising costs, we are indeed fortunate to be the recipient of so many excellent books donated by John C. Sampson.

We receive many compliments on the beauty of the library. The museums are of special interest to our visitors and the meeting room is well used by town organizations, recreational groups, and for the weekly Girl Scout meetings. Our custodian, Ralph Green, gives the library daily tender, loving care. It gives us all a feeling of security to know that Ralph is just a phone call away. Thursday morning hours were introduced in July in the hope that our patrons would find the new hours convenient. The library was contacted by Stephen Conroy of Peterborough, Field Coordinator of the Retired Senior Volunteer Program. As a result, we are now a RSVP station and Mr. Conroy has been instrumental in finding senior volunteer who is proving to be very helpful.

As I write this, I am ending my first year as your librarian. My thanks to you for an enjoyable year, and my thanks to the library trustees and staff for their support and cooperation. Our volunteers have been wonderful and have devoted much of their time throughout the past year.

## RINDGE CONSERVATION COMMISSION - 1982

The goal of the Rindge Conservation Commission has been to protect the community's natural resources and watershed, to use and manage property under its control and to further conservation education.

The Conservation Commission is investigating the possibility of having the Contoocook Lake marsh designated as "prime Wetlands" at the 1984 Town Meeting. A copy of the New England Wetland Flora & Wetlands Protection Laws has been donated to the Ingall's Memorial Library.

Richard Mellor attended a Clean Water for New Hampshire Seminar, the State Conservation Commission Workshop & Annual Meeting and other programs about water quality and acid rain. Several members attended a meeting explaining the completed Rindge soil survey maps.

Fred Robbins wrote a report for the Miller's River Advisory Board on the headwaters of the river in Rindge. Anne Clarke continued using an acid rain kit to monitor rain and snow in Rindge and recorded an average ph of 4.0, while 5.6 is normal and 7.0 is neutral on a scale of 14. The Commission is also periodically testing the dissolved oxygen level and ph of Lake Monomonoc.

Conservation Commission members took a bird, mammal, and plant survey in the Betsy Fosket Wildlife Refuge on Crowcroft Pond at the request of the Audubon Society. A plant survey was also taken at the Town Forest. Members Wells, Mellor, and Davis led an enthusiastic class from the Rindge Memorial School on a nature walk in the Town Forest.

The Conservation Commission sponsored Chuck Snow and Scott Baytosh who attended Youth Conservation Camp on Scholarships provided by the Monadnock Bank and Ed and Marge Stevens of Ed's Auction. Members also reviewed dredge and fill applications and investigated complaints of misuse of natural resources.

Fred Robbins recently stepped down as Chairman of the Conservation Commission. The members are grateful for his four years of service and look forward to the leadership of the new Chairman, Richard Mellor.

Respectfully submitted,  
Barbara Wells, Secretary

SELECTMEN'S REPORT-1982

A MESSAGE FROM THE CHAIRMAN

Small Towns in New Hampshire with Boards of Selectmen are unique.

Go to Washington to see your Senator or Congressman and you will never be heard.

Go to Concord to see your Town Representation you might do better.

Come and see your Selectmen - you will be heard. Give them a call/visit.

Rindge is yours - Preserve it - Get involved!

With growing costs a world-wide concern we strive to keep them to a minimum in Rindge.

Of major concern are unnecessary repairs and maintainence through neglect and abuse. With proper education and instruction this could be eliminated.

The monies expended by the Town are authorized by the Town Meeting. The Board of Selectmen spend the monies as directed by the Town Meeting. Remember you control the monies expended. The increase or decrease in the Town's share of the Tax Rate is in your hands. It is your privilege to increase or decrease the monies requested by the Town Departments as you deem necessary.

Articles in the Warrant inserted by the Selectmen are in their view worthy of Town Meeting consideration. They may or may not have the endorsement of the Board of Selectmen.

Your participation in Town Meeting expressing your views is a welcome and healthy activity.

Redvers G. White  
Chairman  
Board of Selectmen

JUVENILE

Total of all Juvenile Petitions Served	13

LOG ENTRIES

Total items logged for 1982	966
-----------------------------	-----

(A detailed list of offenses is available at the Police Department)

Burglaries are down 50%, Juvenile Crime is up 45%, Accidents down 25% but accidents with injuries are up 29%.

Property recovered was valued in excess of \$ 7,335.00. Criminal and Motor Vehicle arrests are up 25%.

Rindge's best hope for reducing crime is to reduce juvenile delinquency and youth crime. It is estimated that 90 percent of all young people have committed at least one act for which they could have been brought to juvenile court. Most are relatively trivial - fighting, truancy, running away from home. Juvenile crime for 1982, although involving less than twenty youth, showed the most dramatic increase, up 45 percent. Clearly it is with young people that prevention efforts are most needed and hold the greatest promise. It is simply more critical that young people be kept from crime, for they are the Nations future, and their conduct will affect society for a long time to come. Be concerned, get involved, don't wait until you become a victim.

Together, we can make a difference.

Sincerely,

David J. Collum  
Chief of Police

## ANNUAL REPORT

REPORT OF THE RINDGE FIRE DEPARTMENT  
For the Year Ended December 31, 1982

Structure Fires	6	Alarm Investigations	6
Chimney Fires	17	Flooded Oil Burners	2
Vehicle Fires	3	False Alarms	1
Malicious Fires	4	Mutual Aid Calls	13
Electrical Fires	5	Motor Vehicle Accidents	17
Trash Fires	1	Water or Ice Rescues	1
Brush/Grass Fires	3	Medical Emergencies	90
Smoke Investigations	4	TOTAL CALLS	173

The year 1982 saw fewer structure fires than 1981 but otherwise your firefighters kept just as busy. Medical calls now exceed half of our alarms as our emergency medical service continues to prove its worth. Woodstove caused fires and related problems were down and we hope that this is because people are paying closer attention to their stoves and chimneys. Last July, unvented kerosene heaters became legal in New Hampshire for use in single family homes. We urge the people of Rindge to carefully weigh the pros and cons of these heaters before deciding whether or not to purchase one. A permit must be obtained from the Fire Department before a purchase can be made and all are cautioned to follow closely the manufactures recommendations.

A grant of \$ 500.00 for protective clothing was received from federal Title IV funding. This was used in conjunction with monies appropriated at last year's Town Meeting.

OSHA has mandated that Fire Departments convert to positive pressure type breathing apparatus by July 1983 and there is an article in the warrant to cover this. In another article, we seek to install new insulated overhead doors on the fire station in an effort to reduce heat loss. We have an ongoing program to conserve energy and these doors would be a major step in this program.

As usual the membership has put in many hours of training, both in service and away at schools to increase our knowledge and ability so as to better serve the Town.

The Rindge Fire Department hopes that the year 1983 will be a full and happy one for all the inhabitants of Rindge.

Craig A. Hoyt, Chief  
Rindge Fire Department

## ANNUAL REPORT

RINDGE RECREATION DEPARTMENT  
ANNUAL REPORT 1982

"I live with one great hope in mind; to help kids who now stand where I stood as a boy. There is nothing as important in this country as our kids." Babe Ruth, Famous Baseball Great.

Forty-two programs of varving types were offered to community members. Seven were things all family members could mutually enjoy. There were twenty-two youth programs and ten orientated to adult interests.

Special Events were held in conjunction with traditional community events, a few holidays, and also during various times of the year. You will recall the stories of "Ante Ant" during the Friends of the Library Flea Market and the "Phoenix Nest Clowns" who performed at the Womens Club Harvest Fair. German Band Concerts entertained people attending both the Mens Club Suppers and also the Firefighters Association feast at the West Rindge Common.

Halloween parties were held for both pre-school and grade school children. The department served as Santa's helper during the Christmas season. Families helped to decorate the town tree and then Santa's visit pre-empted a carol sing and delicious hot chocolate. Christmas was also spent delivering letters and messages to Santa and obtaining gifts for the retarded residents of the Cedarcrest School.

With the addition of a new Saturday morning Winter Biddy basketball program, which attracted 28 participants, the Rindge Youth Sports program is now nearly year round. Ken Auer and Bruce Ellis coordinated the Basketball League.

The Youth Baseball program includes six teams which involve ball players from the ages of 7 to 15. Coaches include Dave Tower, Ed Martin, Jeff Garland, Russell Raymond, Jim Gorman, John Eddy, Joe Majewski, Bruce Ellis, Jim Carlson, Paul Starrett, Jeff Dana, Chris Bartel, Mike Corcoran, Dick and Anne Tkaczyk, and Ken Auer.

Saturday morning instructional soccer was held at the Wellington field utilizing our new volunteer made portable nets. Jeff Dana and Bruce Ellis served as instructors.

A Summer Playground was held at the Rindge Memorial School with Julie Pyhala and Bruce Ellis leading activities. The summer was filled with active games, crafts, and special events. School vacation Drop-In Centers were also held during the February and Christmas school vacations.

Special activity classes included youth classes in painting, tumbling, and others. While adults enjoyed cut & pierced lamp shades, textile fabric stenciling, smocking, and canoeing. Five levels of adult and children's tennis lessons were offered through the services of Ed and Sieglinde Martin and Mike Lafortune. Family softball is still a summer favorite.

Swimming lessons were held in cooperation with the Jaffrey Recreation Department as we were unable to use any of the sites in Rindge. 31 youngsters participated in the program.

A Summer Brochure was distributed to better inform citizens of departmental events and other town functions.

Trips are being phased out by all individual area Recreation Departments. Instead a cooperative has been established where citizens from Rindge, Jaffrey, Peterborough and Winchendon's Clark Memorial go on trips together.

The Jaffrey-Rindge Senior Citizens group has become very active enjoying monthly luncheons, bowling leagues, trips, and card parties.

Rindge was treated to a series of entertaining Candle Light Concerts encouraged by the late Lila Walz, Edith Sloane and other talented musicians and performers.

And, finally, a special thank you to all of you community members whose time and effort was so very important in helping to provide worthwhile opportunities and enjoyable experiences for Rindge Citizens during 1982.
